Parking Issues

We have received a complaint from the residents living on Copley Close, directly opposite the school. Please can parents and carers visiting the school ensure they do not park either in the driveway; in front of the garages or on the grass at Copley Close. The Close and adjoining grass land is privately owned by the residents and parking is for residents only. The layby is public access but not the rest. Residents are being blocked in by parents parking inconsiderately and we are asking for your co-operation with this matter. Please park considerate. Thank you.

Birthday Treat

We have decided that from this week if a child is celebrating a birthday, they can come in dressed down clothes for the day and no school uniform. We hope this goes some way to replacing not being able to share treats and parties with their friends for now.
